

THE HOTTEST OF 'EM ALL!

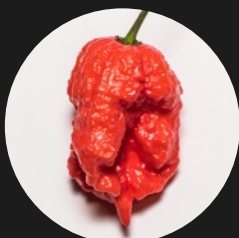

All of these super hot chile peppers now available at www.fataliiseeds.net

Click the variety name below to buy seeds and to see additional information.

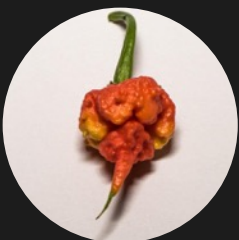

Fatalii Gourmet Jigsaw

This is the end, el finalos, los endos.

Carolina Reaper

Current official Guinness record holder.

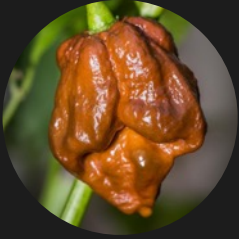

7pot Primo

I think this variety would beat most from the super hots with it's insane heat level.

Moruga Scorpion

Previous official Guinness record holder.

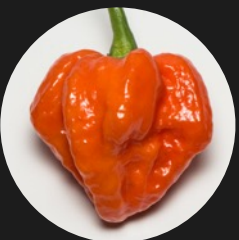

Chocolate Scorpion

The most pain you can get in chocolate-like color.

Trinidad Douglah

Rated as secondly hottest chile pepper of all time couple of years ago.

Sunrise Scorpion

Insanely tasty, insanely hot.

Naga Morich

Perhaps the tastiest super hot variety there is.

Black Naga

Variety which makes you beg for milk and makes you feel quite an endorphin rush!
